Before making a General Power of Attorney, you must read this **advice from MLCPAC (II)**:

Dear client,

Making a General Power of Attorney (GPOA) is an important action that has serious legal consequences. Your GPOA gives someone else the legal authority to act on your behalf—to do *anything* that you would be able to do. With a GPOA, your agent can (for example) rent or buy a house with your money, borrow money that you must repay, sell your car, sue someone for you, or remove all funds from your bank account. Your agent can legally bind you. While a GPOA can be very helpful, it can also be very dangerous. Advice regarding GPOA:

- Don't give away more power than necessary. If you need someone to perform only specific tasks for you, then you don't need a GPOA. Get a *Special* Power of Attorney—one that will authorize your agent to perform only those specific tasks. We can help you prepare one.
- Limit the duration of your Power of Attorney to no longer than 1 year or a shorter period. Don't set the expiration date longer than you will need your agent's services, and don't give the Power of Attorney before it will be needed.
- Make sure your agent is someone you can trust. If you lose trust in your agent, talk with a legal assistance attorney about *revoking* your Power of Attorney.
- Ask to see the MLCPAC (II) "Powers of Attorney" information sheet, and don't hesitate to talk to a legal assistance attorney if you have any questions.
